OFFICIAL LEVY BALLOT

Special Election to Authorize Additional Levies
According to the Order of The Board of Education
of the County of Summers entered on August 27, 2024

A special election to authorize additional levies for the fiscal years beginning July 1, 2025 and July 1, 2026, in the total average amount of approximately \$1,359,850 annually, for the purpose of paying the general current expenses of The Board of Education of the County of Summers, including for the purposes hereinafter set forth in the table below; all according to this Official Ballot and the Order of the Board entered on August 27, 2024, and as more particularly described below. The approximate average annual amount considered necessary for each purpose, subject to variation from year to year as provided herein, is set forth as follows:

PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED	AVERAGE ANNUAL AMOUNT FOR EACH PURPOSE
A. Staffing to reduce split classes and/or reduce class sizes.....	\$250,000
B. Academic support, such as intervention, tutoring, credit recovery and other student support.....	\$159,850
C. Extended learning opportunities, such as Summers School and after school programs.....	\$150,000
D. Technology integration and security.....	\$100,000
E. Truancy diversion and dropout prevention services.....	\$50,000
F. Student safety, such as school resource officers, training and other security needs.....	\$100,000
G. Curricular and extracurricular trip support.....	\$150,000
H. Building and grounds maintenance, upgrades and improvements.....	\$325,000
I. Playgrounds and/or alternative learning areas.....	\$75,000
TOTAL: \$1,359,850	

As noted above and in the next paragraph, below, the amounts set forth in the table above are the approximate average annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The actual amounts budgeted, as well as the amounts actually spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collection and the needs of the Summers County School District, as determined by the Board with respect to each fiscal year and, further, are subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able or needed to be spent entirely in such fiscal year, then the unspent amount shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event The Board of Education of the County of Summers shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as The Board of Education of the County of Summers may from time to time determine.

The Board of Education of the County of Summers is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above-stated purposes, or for the enrichment, supplementation and improvement of educational services and/or facilities in the public schools.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The Board of Education of the County of Summers, to the extent permitted by then-existing law, reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with Section 6g, Article 8, Chapter 11 of the Code of West Virginia, 1931, as amended.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 6.885 cents; on Class II property 13.77 cents; on Class III property 27.54 cents; on Class IV property 27.54 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2025 and July 1, 2026.

INSTRUCTION TO VOTERS:
Those favoring the additional levies, mark the area before "FOR THE LEVIES"; and those against such additional levies, mark the area before "AGAINST THE LEVIES".
